

# REGISTERED NURSES

**Fishermen's Memorial Hospital – Lunenburg  
South Shore Regional Hospital – Bridgewater  
Queens General Hospital - Liverpool**

**Live, work and play on Nova Scotia's beautiful South Shore. We are proud to offer our staff:**

- An opportunity to work at full scope of practice, supported by a Nursing Council
- An interdisciplinary team approach to our patient-centered care model
- Clinical opportunities to cement and enhance your skills and knowledge
- E-Learning, a unique South Shore Health program for on-line continuing education and competency development
- A state-of-the-art Learning Laboratory
- Financial support for furthering your education or certifications, and conferences
- Preceptors who are clinical experts with additional training in mentoring
- Competency-based orientation developed from an individualized learning needs assessment, supported by a team of clinical educators, your manager, and your preceptor
- Relocation funding up to \$5,000 for out of province nurses

**For further information regarding Nursing Opportunities or to apply for a nursing position, please submit your resume (indicating your area of interest) quoting Competition #SSR 934-09:**
